Announcement regarding Covid-19 Virus from Chief and Council

13 March 2020

After further dialogue, leadership has decided to take all precautions due to the Covid-19 virus and cancel all events in Takla community and outside of Takla Community involving Takla staff, members and its leadership for 2 weeks and re-evaluate at that time, yet monitor day to day.

Leadership encourages our members to stay home and stock on your basic needs, limit your travel and avoid gathering places.

With all due respect, we do NOT encourage any visit from outside of Takla into the community for the safety of our elder and those that have weak immune system.

If you have plans within our community please reschedule unless due to emergency, health or medical reasons.

Regards

Chief John A French
