Memo To Takla Landing School Parents
Memo From Scott Hickling, GM Operations
Subject Nus Wadeelzuhl Community School
Date 19 March 2020

It is after much consideration and discussion that we will be suspending the school operations at the end of Spring Break until further notice. School is an important activity in students lives and our pillars of safe and caring, and healthy are affected by the Covid-19 virus. As a central gathering place, the school becomes a potential place of exposure.

Based on the direction of the Public Health Officer, on March 17th the BC Ministry of Education announced the suspension of classes in BC public schools and independent schools until further notice. This decision was based on the growing number of COVID-19 cases throughout British Columbia and world-wide and ensuring the safety of students, staff, and communities.

As it becomes available, we will share further information on planning for continuity of learning. As this is a fluid and evolving situation, we will continue to monitor events and keep you informed.

For links to the most current details and updates from FNESC and FNSEA, please visit www.fnesc.ca/covid19.

Our plan is evolving, and we want to work with our Students and Families on how best we can serve the educational needs going forward.

Principal Mba and his staff will be in touch with parents and students over the next while to create resources and ongoing virtual support.

Thank you for your understanding as we move forward through this process. Stay safe and practise good health !
