Memo To Takla Community and Staff
Memo From Scott Hickling, GM Operations
Subject Adjustments to Office Staff
Date 16 March 2020

Good Day,

With the advancement of the number of cases impacting both Canada and British Columbia over the weekend, and in keeping with the Nations focus on Health, we have taken precautions to ensure a realistic and appropriate approach to prevention.

We have advised our staff in both Prince George and Takla to take care of themselves during this time. Washing of hands, lack of contact with others, self isolation where appropriate and staying home at first signs of a flu or cold. We take this very seriously and want to reassure all staff that their health and the health of their families is essential.

Some of the changes you may notice immediately, and to be reviewed every two weeks, are as follows:

DAYCARE In Takla, we are closing the daycare facility today, and will re evaluate in the next two weeks. Parents are asked to keep their children home.

DROP IN CENTRE Will be closed and we will re-evaluate for March 30 opening.

For Takla based activities, please direct your questions or concerns to BESSIE FRENCH-DOWNEY via email adminassistant@taklafn.ca or by phone 250-617-9750

TAKLA ADMIN OFFICE - The Administration office will be closed to the public March 16 - 30, 2020

Takla Staff will be available via email or telephone Please call or email the staff you wish to contact.

PRINCE GEORGE ADMIN – The Prince George office will be on restricted staff for the next two weeks. However all staff are available through email.

Home Visits will be suspended unless there is an emergency.

Garbage Pick up in Takla will be subject to regular schedule.

Please do not hesitate to contact me if you have any questions or concerns.
