Takla Assistance Funding Process

To keep Community safe and healthy during disbursements for assistance, we have added an application form to the Covid-19 webpage.

Please fill out the information and submit to our team.

Early next week we will be providing relief payments in a variety of ways, so that staff and members will be protected during the process of delivering payments.

In our initial roll out, we will be sending out funds in the following manner:

1. **Direct Deposit** – If you are set up already in the system, please indicate on your application form, we will process automatically
2. If you prefer a **Cheque**, please indicate on your application form and we will mail to you or set up an appointment in Takla or PG for you to come and receive in our Covid-19 location. Please call the toll free number to book your appointment time.
3. **For all other disbursements**, please contact the toll free line and we will work with you in the most efficient manner to deliver this assistance.

Thank you for your patience as we process your applications and assistance payments. We anticipate the first few days will be heavy traffic and then taper off towards the end of the week.

Takla's processing center will be open for appointments starting on Wednesday and Prince George will be open starting on Tuesday.

Our toll free line is 1-877-794-7877 as is available Monday to Friday from 9 AM to 4 PM

The Application form is on the front page of our website under the Covid-19 Tab
