MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The accompanying consolidated financial statements of Takla Nation (the "Nation") are the responsibility of management and have been prepared in accordance with Canadian public sector accounting standards. A summary of the significant accounting policies are described in Note 1 to the consolidated financial statements. The preparation of consolidated financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

The Nation's management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the consolidated financial statements. These systems are monitored and evaluated by management.

Chief and Council meet with management and the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the consolidated financial statements.

The consolidated financial statements have been audited by KPMG LLP, independent external auditors appointed by the Nation. The accompanying Independent Auditors' Report outlines their responsibilities, the scope of their examination and their opinion on the Nation's consolidated financial statements.

INDEPENDENT AUDITORS' REPORT

To the Members of Takla Nation

Opinion

We have audited the consolidated financial statements of Takla Nation (the "Nation"), which comprise:

the consolidated statement of financial position as at March 31, 2021

the consolidated statement of operations for the year then ended

the consolidated statement of changes in net financial assets for the year then ended

the consolidated statement of cash flows for the year then ended

and notes to the consolidated financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the consolidated financial position of the Nation as at March 31, 2021 and its consolidated results of operations and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "**Auditors' Responsibilities for the Audit of the Financial Statements**" section of our auditors' report.

We are independent of the Nation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Nation or to cease operations, or has no realistic alternative but to do so.

Those charged with Governance are responsible for overseeing the Nation's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Nation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Nation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Page 3

- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the group to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

Notes to Consolidated Financial Statements

Year ended March 31, 2021

Nature of operations:

Takla Nation (the "Nation") provides local government, education and training, health services and social development services to its members and was established under the Indian Act (Canada).

1. Significant accounting policies:

These consolidated financial statements include the assets, liabilities, and results of operations of the Nation and all related entities and organizations subject to control by or responsibility of Chief and Council. No inclusion has been made of assets, liabilities, revenues or expenses of Nation members, individually or collectively, incorporated or unincorporated, that are not controlled by or the responsibility of Chief and Council.

These consolidated financial statements have been prepared in accordance with Canadian generally accepted accounting principles for local government, as established by the Public Sector Accounting Board ("PSAB"). The Nation's significant accounting policies are as follows:

(a) Reporting entity and principles of consolidation:

The Nation reporting entity includes the Takla Nation government and all related entities which are either owned or controlled by the Nation.

All controlled entities are fully consolidated except for the commercial enterprises which meet the definition of a government business enterprise or government business partnership, which are included in these consolidated financial statements on a modified equity basis. Inter-entity balances and transactions are eliminated upon consolidation.

Under the modified equity method of accounting, only the Nation's investment in the government business enterprise or government business partnership and their share of the entities net income and other changes in equity are recorded. No adjustments are made for accounting policies of the entities that are different from those of the Nation.

Notes to Consolidated Financial Statements (continued)

Year ended March 31, 2021

1. Significant accounting policies (continued):

(a) Reporting entity and principles of consolidation (continued):

Government business entities which are partially or wholly-owned by the Nation and which are not dependent on the Nation for their continuing operations, included in the consolidated financial statements using the modified equity method are as follows:

- Takla Development Corporation
- Sasuchan Development Corporation
- Takla Lake Limited Partnership
- Tse Keh Nay LLP

(b) Cash and cash equivalents:

Cash and cash equivalents consist of cash, bank overdrafts and investments in money market or other short-term instruments or investments with a maturity of less than 90 days.

(c) Financial instruments:

Financial instruments originating in a non-arms length transaction are recorded at fair value on initial recognition. Freestanding derivative instruments that are not in a qualifying hedging relationship and equity instruments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Nation has not elected to carry any such financial instruments at fair value.

Notes to Consolidated Financial Statements (continued)

Year ended March 31, 2021

1. Significant accounting policies (continued):

(c) Financial instruments (continued):

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the effective interest rate method.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Nation determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Nation expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future year, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

(d) Non-financial assets:

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

Notes to Consolidated Financial Statements (continued)

Year ended March 31, 2021

1. Significant accounting policies (continued):

(e) Tangible capital assets:

Tangible capital assets are stated at cost, less accumulated amortization. Cost includes all costs directly attributable to acquisition or construction of the tangible capital asset including transportation costs, installation costs, design and engineering fees, legal fees and site preparation costs. Contributed tangible capital assets are recorded at fair value at the time of the donation with a corresponding amount recorded as revenue. Tangible capital assets under construction are not amortized until the asset is available for use.

Amortization is provided using the declining balance method and following annual rates:

Asset	Rate
Automotive equipment	30%
Buildings and infrastructure	4%
Capital leases	30%
Computer equipment	30%
Equipment	20%
Housing	4%
Water Plant	4%
Waste disposal system	4%

Amortization of leasehold improvements is recorded over the remaining term of the lease plus the first renewal option.

When management determines that a tangible capital asset no longer contributes to the Nation's ability to provide goods and services or that the value of the future benefits associated with the tangible capital asset is less than its net book value, the cost of the tangible capital asset is written down.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets.

Notes to Consolidated Financial Statements (continued)

Year ended March 31, 2021

1. Significant accounting policies (continued):

(f) Revenue recognition:

Government transfers and grant revenue are recognized as the Nation becomes entitled to the funding under the terms of applicable funding agreements and are recorded in the period in which the resources are used for the purpose specified in the agreements. Restricted funding received which relates to a subsequent fiscal period or pursuant to agreements in which the specific project or program is not yet completed are reported as deferred revenue until the resources are used for the purpose or purposes specified.

Other revenue, including interest, rent and own source are recognized in the period the services are provided and the related proceeds are received or receivable.

(g) Funding recoveries and reimbursements:

Funding received from government sources in the form of conditional transfer payments are subject to recovery, by the Crown, of unexpended balances or unallowable expenses. The Crown may also reimburse over expenditures upon determining adherence to the terms and conditions of payment for a specific purpose. Recoveries and reimbursements are accounted for when they are paid or payable or received or receivable.

(h) Allocation of expenses:

Management records a number of its expenses by program. The cost of each program includes the personnel, premises and other expenses that are directly related to providing the program.

Management allocates certain of its general support expenses by identifying the appropriate basis of allocating each expenses.

Notes to Consolidated Financial Statements (continued)

Year ended March 31, 2021

1. Significant accounting policies (continued):

(i) Contaminated sites:

Contaminated sites are defined as the result of contamination being introduced in air, soil, water or sediment of a chemical, organic, or radioactive material or live organism that exceeds an environmental standard.

A liability for remediation of contaminated sites is recognized, net of any expected recoveries, when all of the following criteria are met:

- (a) an environmental standard exists,
- (b) contamination exceeds the environmental standard,
- (c) the organization is directly responsible or accepts responsibility for the liability,
- (d) future economic benefits will be given up, and
- (e) a reasonable estimate of the liability can be made.

(j) Use of estimates:

The preparation of the financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Items subject to such estimates and assumptions include the carrying amounts of tangible capital assets; provisions for impairment of accounts receivable; and accrued liabilities. Actual results could differ from those estimates.

Notes to Consolidated Financial Statements (continued)

Year ended March 31, 2021

2. Accounts receivable:

	2021	2020
Indigenous Services Canada	\$ 189,469	\$ 177,374
Canada Mortgage and Housing Corporation	-	398,148
Carrier Sekani Tribal Council	1,432,924	6,073,072
Province of British Columbia	67,500	120,426
Trade receivables	2,590,824	882,665
Employee receivables	6,751	11,798
Prince George Nechako Aboriginal Employment & Training Association	-	51,842
	\$ 4,287,468	\$ 7,715,325

3. Restricted cash:

	2021	2020
Funded replacement reserve	\$ 90,264	\$ 90,090
Funded operations reserve	92,222	92,079
	\$ 182,486	\$ 182,169

Replacement reserve:

Under the terms of the agreement with Canada Mortgage and Housing Corporation ("CMHC"), the Nation must set aside funds in the amount of \$26,478 plus interest; consisting of \$5,920 for Phase I operations, \$11,840 for Phase II operations, and \$8,718 for Phase III operations. These funds, along with accumulated interest, must be held in a separate bank account and/or invested on in accounts or instruments insured by the Canada Deposit Insurance Corporation or as may otherwise be approved by CMHC. Withdrawals are credited to interest first and then principal.

Notes to Consolidated Financial Statements (continued)

Year ended March 31, 2021

3. Restricted cash (continued):

Operations reserve:

Under the terms of the agreement with CMHC, after the payment of all costs and expenditures, including the allocation to the replacement reserve, any surplus revenue from Phase I and/or Phase II will be retained by the program within an operations reserve fund. The program's operations reserve fund may only be used for the on-going operating costs of Phase I and Phase II as committed under the 1997 On-Reserve program. Accordingly, future years' deficits may be recovered from the operations reserve bank. These funds, along with accumulated interest, must be held in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation, or as may otherwise be mutually agreed to by the Nation and CMHC.

4. Investments in government business entities:

	Investments	Advances	2021	2020
Takla Development Corporation	\$ (4,371,606)	\$ 5,291,885	\$ 920,279	\$ 402,489

Expenses	(8,657,227)	(6,944,674)
Profit and comprehensive income	4,447,918	1,552,241
Nation portion	4,443,470	1,550,689

Notes to Consolidated Financial Statements (continued)

Year ended March 31, 2021

4. Investments in government business entities (continued):

Shares and partnership units are held by the Nation, as represented by Chief and Council, on behalf of and for the benefit of the Takla Nation membership.

Takla Development Corporation was actively involved in logging and is therefore performing silviculture responsibilities. Advances due from Takla Development Corporation are unsecured, non-interest bearing and with no scheduled terms of repayment.

5. Ottawa Trust Fund:

	Revenue	Capital	2021	2020
Balance, beginning of year	\$ 29,803	\$ 2,617	\$ 32,419	\$ 30,063
Interest	2,274	-	2,274	2,356
	\$ 32,077	\$ 2,617	\$ 34,693	\$ 32,419

The Ottawa Trust Funds arise from monies from capital or revenue sources as outlined in Section 62 of the "Indian Act". These funds are held in trust in the consolidated revenue fund of the Government of Canada and are subject to audit by the office of the Auditor General of Canada. The management of these funds is primarily governed by Sections 63 and 69 of the "Indian Act".

Year ended March 31, 2021

6. Accounts payable and accrued liabilities:

	2021	2020
Trade payables	\$ 534,315	\$ 675,864
Accrued wages and payroll deductions payable	375,487	442,048
Pension plan contributions payable	89,730	37,833
Worksafe British Columbia	11,466	14,045
Sales taxes payable	403,346	208,316
Dividends payable - minors	812,000	848,000
Other accrued liabilities	541,952	323,204
	\$ 2,768,296	\$ 2,549,310

The Nation has a defined contribution pension plan for eligible members of its staff. Members can contribute up to a maximum of 5.5% of their salary and the Nation matches the member's contributions. The amount of retirement benefits to be received by the members will be the amount of retirement annuity that could be purchased base on the member's share of the pension plan at the time of the member's withdrawal from the plan. During the year the Nation contributed \$133,119 (2020 - \$157,884) for retirement benefits.

10. Related party transactions:

In the normal course of operations, the Nation participated in transactions with related parties measured at the exchange amount as determined and agreed to by the related parties.

11. Segmented information:

The Nation provides a range of services to its members. For management reporting purposes, operations and activities are organized and reported by function and department. For each segment separately reported, the segment revenue and expenditure represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The presentation by segment is based on the same accounting policies as described in the summary of significant accounting policies in note 1. The segments and services provided are as follows:

Administration - provides governance initiatives and training through the activities of Chief and Council and administration of other activities relating to program delivery, membership and finance;

Community infrastructure - manages community and facilities operations and maintenance including capital projects, municipal services, water and waste water operations, roads, fire protection, housing and maintenance of community buildings;

Economic development - manages the development of economic opportunities from the land and natural resources for the Nation and its entities;

Education and training - provides elementary and secondary education instructional services and provides financial support to post secondary students as well provides training and work opportunities for Nation members to improve their job skills and participate effectively in the labour market;

Health services - provides a variety of health care programs, services and support to Nation members;

Social development - provides programs and services for the social benefit and welfare of Nation members.

Notes to Consolidated Financial Statements (continued)

Year ended March 31, 2021

12. Contingent liabilities:

The Nation has entered into contribution agreements with various government agencies. Funding received under these contribution agreements is subject to repayment if the Nation fails to comply with the terms and conditions of the agreements.

The Nation is contingently liable for a Nation member mortgage secured by a Government of Canada Ministerial guarantee. As at March 31, 2021, the maximum liability would be \$51,494.

In addition, in the normal course of operations, the Nation may become involved in legal actions. Some of these potential liabilities may become actual liabilities when one or more future event occur or fail to occur. To the extent that the future event is likely to occur and a reasonable estimate of the loss can be made, an estimated liability is accrued and an expense recorded in the financial statements. As at March 31, 2021, there are no claims outstanding.

13. Financial risks and concentration of risk:

The Nation as part of its operations carries a number of financial instruments. It is management's opinion that the Nation is not exposed to significant currency or credit risks unless otherwise noted.

(a) Market risk:

On March 11, 2020, the COVID-19 outbreak was declared a pandemic by the World Health Organization. This has resulted in the Canadian and Provincial governments enacting emergency measures to combat the spread of the virus. The situation is dynamic and the ultimate duration and magnitude of the impact on the economy and the financial effect on the Nation is not known at this time. The current challenging economic climate may lead to adverse changes in cash flows, working capital levels and/or debt balances, which may also have a direct impact on the operating results and financial position of the Nation in the future.

(b) Liquidity risk:

Liquidity risk is the risk that the Nation will be unable to fulfill its obligations on a timely basis or at a reasonable cost. The Nation manages its liquidity risk by monitoring its operating requirements. There has been no change to the Nation's liquidity risk exposure from 2021.

Notes to Consolidated Financial Statements (continued)

Year ended March 31, 2021

13. Financial risks and concentration of risk: (continued):

(c) Interest rate risk:

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. Financial assets and financial liabilities with variable interest rates expose the Nation to cash flow interest rate risk. The Nation is exposed to this risk through its interest on the long-term debt. There has been no change to the Nation's interest rate risk exposure from 2021.

14. Comparative information:

The consolidated financial statements have been reclassified, where applicable, to conform to the presentation used in the current year. The changes do not affect prior year annual surplus.
